# HAMILLTON FARM

Booth No 325

[www.hamilltonfarm.com.pe](http://www.hamilltonfarm.com.pe)

## COMPANY DESCRIPTION

Hamilton Farm Peru is an agro-industrial company located in the Peruvian jungle in Pichanaqui; the weather conditions allow it to have top-quality products. The company works hand in hand with the community of farmers, supporting them in supervising their crop fields, constant training, and paying a fair trade for their agricultural products.

The Company has experience exporting fresh and dried organic ginger and turmeric. It worked under the guidelines of quality standards that allow it to offer quality products, respecting the environment and ensuring that workers conditions in the fields are adequate. It has several certifications, among them: GLOBALGAP GRASP, USDA Organic, Biosuisse, SMETA Social Standard Certification, and BRC in its process plant.
