TEXGROUP

www.texgroup.com.pe

Texgroup S.A. started in 1995, as an exporter of high added-value apparel for the most discerning markets. We are acknowledged by ensuring products made with the highest standards supported by a quality assurance system that sustainably incorporates continuous improvements in our processes, thus benefiting both, our customers and staff.

We specialize in supplying our customers with a “Full Package” program of knitted apparel products. Our service starts with product development and ends with the finishing of the garments. To ensure quality in our diverse production processes we count on a qualified and multidisciplinary team of professionals who receive consistent training and that is committed to meeting the requirements of our customers with a dedicated commercial support.

Our parent company, Creditex, is the country’s leading vertically-integrated textile company and its part of Corporación Cervesur, a Peruvian holding with over 125 years of industrial tradition.

Products: Knitwear, Pants, Shirt, Skirt, Blouses
